

You're Alive:

Verse:

Bm F#m Bm F#m
You're alive, you're electric, You're alive, you're electric love
D Bm F#m
You are rushing through me
Bm F#m Bm F#m
You're alive, you are glorious, You're alive, you are glorious love

Pre:

A
Sending shivers up my spine

Chorus:

Bm G D A
Everybody loves you now, I've got to sing it loud You've got the touch
Bm G D F#m
that stitched my soul, you stitched my soul

Bm G D A
Everybody loves you here, you've wiped away all our tears You've got the
Bm G D F#m
touch that stitched my soul, stitched my soul

verse 2:

You're alive, you're endless
You're alive, you're endless love
You always hold my heart
Sending shivers up my spine

Bm G D A
You set my soul on fire, you set my heart ablaze come and watch me
burn...ahhahhh aahhahh

I was born to sing:

Capo 4

Verse:

G

You were born to bleed your soul

C Em

I was born to be your own

G

You were born to shed your life

C Em G push C

I was born to make it mine

Chorus:

G

I was born to sing, Woah oh wa oh aoh

G

I was born to sing, Woah oh wa oh aoh

C

G

I was born to love you, I was born to sing (back to verse)

Verse 2:

You were born to turn the night into color

I was born to breathe no other....love

You were born salvation bringing

I was born to lend your melodies and sing em

I was born.....I was born to sing it

Lend us your Melodies:

You've written your name in the sky

So everybody can see

Woah oh, woah oh, woah oh

To all the birds in the trees

You lend your melodies

Woah oh, woah oh, woah oh

You've written you name in my heart

so everybody can see

To all the birds in the trees

You lend your melodies

Woah oh, woah oh, woah oh

Chorus:

Lend us your melodies

Lend us your melodies

Woah oh, woah oh, woah oh

You are better:

Em C G
You are better
Em C G D
than all the drugs put together
Em C G
you, you're the only one
Em C G D
that came into my heart and blew it up

and your love, throws me around

like a wild bull when the rodeo comes to town

and when your joy, it hits me

I start moving and shaking like a gypsy

Ah ah ah ah

CHORUS:

C
And your heart makes my heart move to the rhythm of an eighties love song

G
Your heart makes my heart move

C
And your heart makes my heart dance to the rhythm of an eighties love song

G
You heart makes my heart move

Em C G
Yeah your heart makes my heart move

C
Spin me around
Em D C
Like a shiny disco ball

Spin me around

Like a shiny disco ball

Closer:

Verse 1:

G
If I am in you

And you are in me
Em

Why are you
C G Em G x3
still looking for me

I came closer, I came closer
Im under your skin
Why are you still looking for me

Chorus:

G
Im closer than the air your breathe
G
Im the melody your singing
Em C G
You are mine you are mine always

Verse 2:

Now I am in you and you are in me, now my heart finally found what its looking
for
You, you came closer, you came closer
You're under my skin
No longer still looking, you found me

Everythings New:

Verse:

G#m F#
You made everything new

Chorus:

E F# G#m E
You made everything new oh
F# G#m E
Oh oh ah oh oh oh

Red bleeds into a million colors when you hold it up to the light, when you hold it up to the light

Verse 2:

You made everything beautiful

Bridge:

You lift my head above the clouds, and you made this heart sing
You lift my head above the clouds and you made everything new

You put the color in my eyes:

Verse:

Dm Am Am G

You found me when I wasn't looking my eyes were cold and my heart was crooked

Black and gray filled my day and all I needed all I wanted was you

But then your dawn broke in and everything turned to color, glorious color

Night turned to light water turned to wine and all I wanted was you

Pre chorus:

F G

And you came closer, than the air I breathe

You came closer, love came to me

Chorus:

C G Dm F Am 2nd time end on G

You put the color in my eyes, I saw your face and you smiled

Water turned to wine and my heart turned to love you

You put the color in my eyes, you saw my face and you smiled

Blood turned to wine and my heart turned to love you
